Role of PB6 in the project

- The partnership of TACTICAL TOURISM includes all the UNESCO protected cities of the cross-border area (Gjirokaster, Berat and Corfu), as well as the Kastoria which seeks to mature its candidacy towards becoming one through this project.
- The **T.C.G./D.W.M – PB6** is by its constitution a consulting body for the public interest and is the body that represents all the Engineers of the region of Western Macedonia. This makes it the ideal body to perform technical studies.
- **PB6** will make all the necessary studies **to create the application folder for Kastoria to become a candidate city for UNESCO.**
